CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: March 2018 -Rev. 6/26/2018- Void After: March 2019

Product: Enamelled Cast Iron and Enamelled Steel Plumbing Fixtures File No. 10318

Issued To: Wilhelm Schmidlin AG
Gotthardstrasse 51
Ch-6414 Oberarth,
Switzerland

Identification: Each fixture shall be marked with the manufacturer's name or registered trademark. In case of private labeling, the name of the customer for whom the fixture was manufactured. The markings shall be permanent, legible, and visible after installation. Fixtures that require proprietary (non-standard) components such as supply fittings, waste fittings, or water seats, shall indicate in accompanying literature or in the packaging that such components are provided by the manufacturer. Fixtures that do not comply with one or more of the dimensional requirements of the standard shall be marked with an "N" to indicate the non-standard nature of the fixture. Fixtures that require proprietary components shall be accompanied by literature that identifies the proper replacement parts. Bathtub and shower bases that use field installed flanges shall have a label stating "Do not install this fixture against a wall unless the appropriate flange is first installed." (The equivalent French wording is "Nes pas fixer cet appareil au mur à moins que la bridge appropriée n'ait été

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
